Hello Doctor:

Tonight we are honoring Chambers Tree Farm. They are 100 years old. I was wondering if you have some type of list that speaks to Chambers Tree Farm.... Or possibly a list of Carbondale businesses that were around back in 1920.

Michele:

I can't find anything on the Chambers Tree Farm.

In honoring the Chambers Tree Farm, perhaps someone could say the following:

"Members of the Chambers family have been important members of the Carbondale business community, as painters, contractors and carpenters, from 1920 on, the Chambers Tree Farm now having become one of the primary providers of Christmas and holiday trees and greens each year for Carbondale and the surrounding communities. The City of Carbondale, the Greater Carbondale Area Chamber of Commerce, the Carbondale Tinsel Trail Committee, and the entire community are very pleased and honored to say "THANK YOU" to the Chambers Tree Farm for one hundred years of community service and for providing these beautiful evergreen trees for Carbondale's very special and very beautiful TINSEL TRAIL 2020."
